Salt Lake City, Utah 84116

Dear Mr. Brown:

Re: Division of Oil, Gas & Mining Permitting Requirements for Amax
Magnesium Corporation Proposed Solar Evaporation Ponds, Tooele
County, Utah

It has come to our attention that AMAX Magnesium Corporation proposes to construct solar ponds in Tooele South Townships 1 North and 1 South, Ranges 12, 13, & 14 West. Please be advised that the Division requires an operator to file a Notice of Intention and a Mining and Reclamation Plan before commencing mining operations. Evaporation ponds are defined as mining operations under Title 40-8, State of Utah Mined Land Reclamation Act.

Enclosed is a MR-1 form that should be completed and filed with this Division. Should you have any questions, please contact me or Wayne Hedberg of my staff.

Sincerely,

L.P. Braxton
